L'AMANT – 53 DELIGHTFUL CRUISES AS FROM JULY, 2010

Launched in June 2009, L'AMANT is an exclusive creation of Phoenix Voyages Group. This charming traditional 1930's style boat proudly announces its most fascinating cruise programs starting from July 2010, with 53 departures in a 9-month period and five itineraries; among which 15 exclusive cruises linking Cai Be (100km from HCMC) to Ha Tien, or way back, to discover the wild Ba Lua's Archipelago beaches before possible trip extensions towards Cambodia, its capital city Phnom Penh and the wonderful Angkor temples near Siem Reap. An ideal way for individual travelers and tourist groups to explore the Mekong River Delta and South Vietnam wonders at a slow speed that fits so well to the region's serene spirits.

Named after the French writer Marguerite Duras' famous fiction novel which was awarded the Prix Goncourt in 1984, wherein she portrayed some events of her youthful years spent in Sa Dec, in the very heart of the Mekong Delta, L'AMANT is the first and only boat cruising the grand Mekong Delta River and Gulf of Thailand's pristine waters as well.

L'AMANT offers a unique experience, outfitted with state of the art cabins and most modern facilities and equipment on board. With its 3 well appointed decks, L'AMANT is designed to accommodate up to 24 passengers in 12 double cabins of 16 m², each fitted with individually controlled air-conditioning, balcony, wide glass sliding door with panoramic view and a private bathroom with shower. The vessel offers a cozy restaurant, a bar and a sundeck where passengers can relax and be captivated by the serenity and the beauty of nature throughout the whole journey.

Every crew member is well trained and committed to pamper you with all your expectations. Above all else is the delightful cuisine served with fully fresh natural grown vegetables and seasonal fruits of the region plus attractive programs of activities organized for your enjoyment.

As from July 2010, L'AMANT will run following cruises' program:

- The shortest one is a round trip cruise starting from Cai Be's harbor (100km from HCMC) to Sa Dec, a 4-day and 3-night journey.
